Manoj Jangra

Founder, Builder & Author · Zirakpur, Punjab, India

Building AI-driven platforms across real estate, Vastu & astrology, and real estate education.

Manoj Jangra is a non-technical founder who builds and ships AI-powered digital products across three ventures: VastuIQ, an AI Vastu Shastra, astrology, and numerology platform; GarahPravesh, a property decision platform for Chandigarh Tricity homebuyers; and RERACertified, a state-wise RERA certification platform for real estate agents. He is also the author of two books on property decision-making and personal growth, and works with Claude as his primary technical partner across all three platforms.

WHAT I'M BUILDING

01

VastuIQ

VASTU · ASTROLOGY · NUMEROLOGY

AI-powered tools and paid reports across Vastu analysis, Kundli/astrology, and numerology calculators — free-tool-to-report model, growing organically.
